The Chaiman's View

Quality education goes way beyond theoretical knowledge, with emphasis on values and skills that help young minds evolve into better individual and this is our ultimate objective.

MSMA promises to give advanced education to our kids so that they could propose themselves according to the outside world, build their confidence to face the challenge in every sphere of life. A bond where the young minds will be managed by experts from different fields.

Our method of digital classes will remarkable gives opportunity for a meaningful and timely communication amongst the teachers, students and parents. Our method enables the users to create all the relevant content in the formats of movies, slideshows and quizzes and upload them on server.

"Our dream is to make our students maker and not marker."

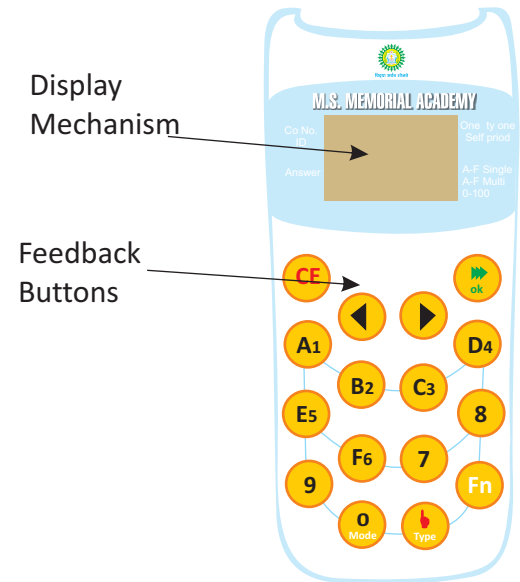

I extend my best wishes to all those working towards making quality education all persuasive for a better tomorrow. Let's walk with hand in hand and take our mother land to great height.

A Message for the Students

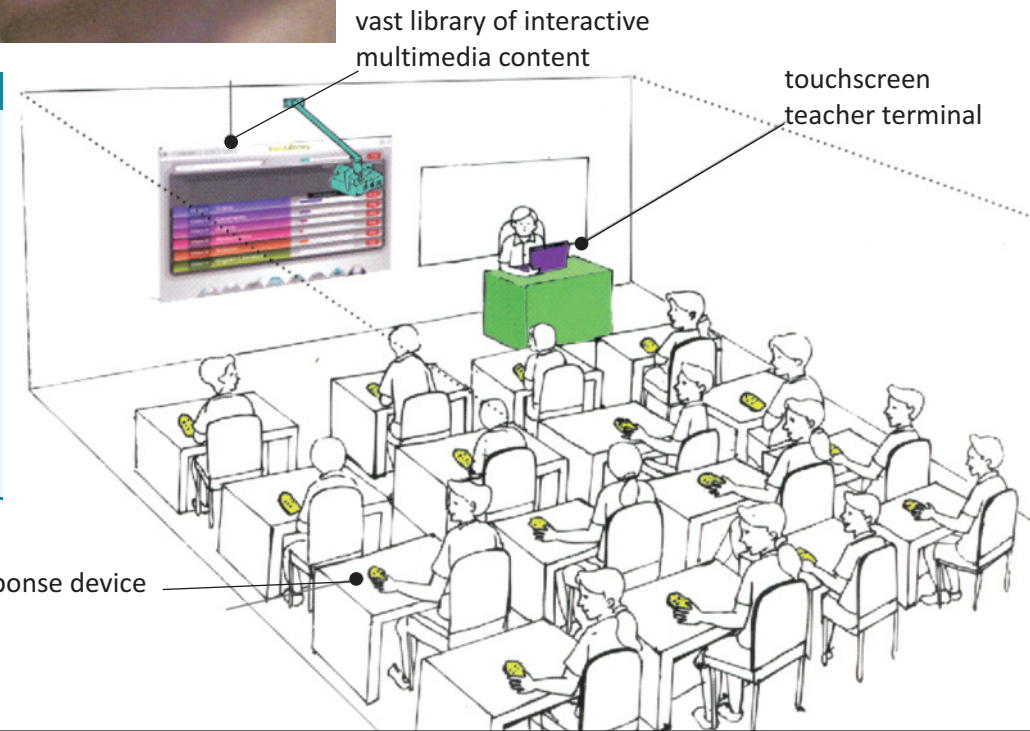

“जगाओ अपने आत्म विश्वास को और कुछ ऐसा कर दिखाओ,
जो सोचा न हो जमाना, कुछ ऐसा कर दिखाओ,
करु मैं तुझ पर गर्व हो जाए तुझ पर फक्र कुछ ऐसा कर दिखाओ...”

HOW ARE WE DIFFERENT FROM OTHER SCHOOL ?

MSMA takes an eager note of the Assessment and Evaluation mechanism and devices methods resulting in subjective learning with comprehensive development.

This speeds the knowledge process by given enough opportunities to clarify and rectify mistakes. This also helps the students and teachers in identifying the problem areas and work for progress
